

The Palm Beach State School Tuckshop NEEDS YOU!

Assistance is required to ensure our children's orders are out in time for lunch. We need help with food preparation and for counter service.

NO EXPERIENCE NEEDED!

Volunteering gives you the chance to see your kids at school and meet their friends, other children and parents.

Your kids will love seeing you there.

You can use the experience to add to your resume.

Please fill in the form and hand it to the tuckshop or place into your child's tuckshop box in the classroom.
